

Karrar Esbeyajani

Full-stack developer · Founder, Webers Studio

esbeyajanikarrar@gmail.com +964 771 467 7731 karrar.webers.studio Baghdad, Iraq

I design and build websites, online stores and business systems, then make the posts and reels that bring them customers. Based in Baghdad, working with clients in Iraq and abroad.

EXPERIENCE

Founder, Webers Studio

Baghdad · 2025 to now

Websites, online stores, QR menus and booking systems for businesses, plus the posts and reels that market them.

Freelance full-stack developer & UI/UX designer

2023 to now

Shipped production projects for clients in Iraq and abroad: SaaS platforms, e-commerce, ordering systems and corporate websites, all mobile-first with Arabic RTL support.
